

HR Consult Group and Senator Executive Search Partners - Your Experts for International HR Solutions

The HR Consult Group offers headhunting and HR consulting in the USA and Canada, specializing in the recruitment of highly qualified executives for German and German-speaking companies. Our mission is to connect companies with candidates who are exceptionally qualified and culturally fit to ensure seamless integration into the corporate culture. We are at home on both sides of the Atlantic.

Our Services for Companies Operating in the USA/Canada:

- Headhunting: Searching and selecting suitable executives from Germany for North America
- Cultural assessment of candidates with a German background, "the German Spirit"
- Targeted candidate search: Identification and approach
- The largest specialist and executive database in Germany: Access to several hundred well-versed candidates with many years of North American expertise
- Specializing in candidates already residing in North America or those who intend to return to this region
- Support in the onboarding process

Our Core Competencies:

- Comprehensive expertise - 30 years of personnel consulting experience
- More than 25,000 placements for our clients
- Global network
- Intercultural competencies
- Placement and replacement guarantee
- Support throughout the entire hiring process
- Reliable partnership
- Customer-specific, individual solutions
- Discreet confidential contact
- Extensive knowledge in various industries and functions
- Comprehensive candidate database
